Hello good morning Jose I hope you are having a great day. I just wanted to inform you that our morning meeting for the relocation of the Big Belly trashcan on Ave 57 and Figueroa St for the LANI Highland Park Streetscape Improvement Project went wonderful. Bill Musselman from Sanitation and Joe Albrecht from Big Belly gave us their approval for the most appropriate re-location of the Big Belly trashcan. Joe from Big Belly place the markings and inform us that it will take approximately 1 week and half to get it done. Misty Iwatsu from Old LA and Arturo Nevarez from LANI were present at the morning meeting as well. If you have any questions please let me know. Have a great day.
